|         |           |           |
|---------|-----------|-----------|
| Tonnage | - GT      | : 287 T   |
|         | - NT      | : 87 T    |
| Length  | - Overall | : 40.37 m |
| Beam    | - Moulded | : 7.50 m  |
| Depth   |           | : 3.23 m  |
| Draft   |           | : 1.90 m  |

### Capacities

|                      |                              |
|----------------------|------------------------------|
| Cargo Deck Space     | : 120.00m <sup>2</sup>       |
| Deck Strength        | : 2 T/m <sup>2</sup>         |
| Reefer Point         | : 4 nos on deck (50/440 VAC) |
| Portable Water Tanks | : 30 m <sup>3</sup>          |
| Fuel Oil Tanks       | : 70 m <sup>3</sup>          |
| Lubrication Oil      | : 800 litres                 |
| Cargo Weight.        | - Maximum : Approx. 50 T     |
| Deadweight.          | - Maximum : TBA              |
|                      | - Light displacement : TBA   |

### Propulsion

|                        |                  |                                              |
|------------------------|------------------|----------------------------------------------|
| Main Engine            | - Type           | : 3 x Cummins KTA38M2 Tier 2                 |
|                        | - BHP            | : 3 x 1350 BHP @ 1900 RPM<br>Total: 4050 BHP |
| Propellers             |                  | : 3 x Fixed Pitch Propeller (FPP)            |
| Bow Thruster           |                  | : 2 MT lateral thrust                        |
| Controls               |                  | : 2 control stands                           |
| Starter                |                  | : Electrical                                 |
| Reduction Gear & Ratio |                  | : Twin Disc, MG 6690 & 6848<br>SC, 2.47:1    |
| Speed / Consumption    | - Maximum ltr/hr | : 28.7 Knots @ 100% / Approx 762.5 ltr/hr    |
|                        | - Cruising       | : 26.8 knots @ 85% MCR/Approx 666 ltr/hr     |
|                        | - Genset         | : Approx 25 ltr/hr                           |
| Generators             | - Type           | : 2 x CUMMINS 6BT 5.9 D(M)                   |
|                        | - kW             | : 2 x 80 kW                                  |
|                        | - Voltage        | : 415 V                                      |
|                        | - Phase          | : 3 phases                                   |
|                        | - Hz             | : 50 Hz                                      |

## DINASTIA JATI SDN BHD

### Accommodation

|              |                                                                                            |
|--------------|--------------------------------------------------------------------------------------------|
| Cabin/ Berth | : 9 nos / 15 units<br>(2 berths x 6 nos)<br>(1 berths x 3 nos)                             |
| Crew         | : 10 pax                                                                                   |
| Passengers   | : 70 pax (Business Class inclined seat with individual hand rest, Fully Air- conditioning. |

### Life Saving Equipment

|                           |                                                             |
|---------------------------|-------------------------------------------------------------|
| Water Curtain             | : All around accommodation                                  |
